- Blow Moulding Machine Operator - Plastic Manufacturing
- Calender Operator - Plastic Manufacturing
- Extruder Operator - Plastic Manufacturing
- Injection Moulding Operator - Plastic Manufacturing

MAIN DUTIES:

This group performs some or all of the following duties:

Mixing machine operators

- Weigh resins, colourants and other chemicals according to formula
- Place weighed materials in mixing machine and operate machine to blend plastic and other chemicals to a specified consistency or viscosity

Calendering process operators

- Set up and operate calendering machines which transform dough-consistent plastic mass into continuous sheets or films of specified thickness

Extruding process operators

- Set up and operate one or more extruding machines which extrude plastic composites products through a nozzle or die

Moulding process operators

- Set up and operate one or more moulding machines which mould plastic products according to specifications
